The overall rating of the company is 2. Recent recommendations regarding this business are as follows: "Do not use this company! They lie! They steal from you. Reviewers write the most about Partzilla Shipping Service and give it 2. Review authors value the most Layout of Store. The price level of this organization is medium according to consumer reviews. This review is from a real person who provided valid contact information and hasn't been caught misusing, spamming or abusing our website. Check our FAQ. Hi Henry, Unfortunately, sometimes there are parts that are too big for regular shipping and therefore we have to ship them using special oversized shipping solutions. We wish we could tell you before you order but we do not have the weight and dimensions of the parts until we get ready to ship the item. We are sorry to read about your negative experience. We sent you a direct message and we will have a customer service representative get in touch with you shortly and issue you a refund. Hi Scott, We sincerely apologize for the miscommunication. We understand how frustrating it is to receive the wrong part and we recommend you contact our customer service team so we can coordinate a replacement. We try to have as many parts in stock as possible we have the largest in-stock collection of parts online but occasionally we don't have the part in either of our warehouses and it takes longer than usual to arrive. We look forward to hearing from you and we hope our team will be able to resolve the situation. Hi Mike, We are all doing everything we can to get you your parts and we are sorry it took so long for your order to arrive. We appreciate your patience and we hope you will give us another opportunity to win you back as a customer. Please contact me directly at Loyalty partzilla. We are sorry about the delay, waiting three months to receive your parts is unacceptable. Please contact us at Loyalty partzilla. We are sorry to read your review. We try our best to ensure quick deliveries and speedy shipping but

sometimes UPS is delayed and takes longer than expected. If you still haven't received your parts please contact us at Loyalty partzilla. We understand your frustration and we apologize for the lack of communication. This has been a uniquely difficult and busy time and our team is working as hard as possible to continue to deliver the top-notch service our customers are used to. We apologize again and we hope you will give us another chance. For more information about PissedConsumer check out our Blog article. Hi John, We understand your frustration. Our customer service team has been busier than usual due to increased traffic and shorter hours. We realize that not everyone can stay on hold for long and we try our best to get to every customer as quickly as possible. We want to resolve this as soon as possible, please contact us at Loyalty partzilla. We understand your frustration, and we want to apologize for your disappointing experience. As you know, all parts are being delayed currently due to the current health crisis, and when a part is on backorder, we have to wait to receive it from the manufacturer before sending it out to you. If you are in a rush, our customer service team can help you split ship your order allowing you to receive all the parts that are currently available and not having to wait for the back ordered part as well as answer any and all questions you have regarding your order. We understand your frustration and we know we fell short in our communications with you. We look forward to hearing from you shortly. Hi Kenzleigh, We are glad you reached out to us. Please send your order number and information to our email, loyalty partzilla. Hi Rosaleigh, As you know, all parts have been delayed several days and are taking longer than expected to arrive due to the current situation. Your continued patience is greatly appreciated. We are sorry for the delay and we hope to be able to return to our pre-COVID shipping times shortly. Please send us your order information at Loyalty partzilla. I am sorry to read your recent review referencing a brief delay in processing your order for shipment. At Partzilla, we are closely monitoring the impact of COVID and we are doing everything possible to support our customers, communities, and employees during this challenging time. We ask for your patience and understanding as there may be brief shipping delays as a result of this unprecedented health crisis. We know that fast shipping and processing are important to you. It is also very important to us. If you have any more questions about your order, feel free to contact us at Loyalty partzilla. Hi Del, Due to mandatory social distancing and reduced staffing to ensure the safety of our employees, parts are taking several more days to ship than usual. In addition, our call centers are operating with temporarily reduced hours of operation. We apologize for the inconvenience we have caused. I'm sure our team will help you with whatever questions you have. User's recommendation: shop around. Do not be a fool and expect your order from these folks anytime close to what they advertise. Pay a couple of extra dollars and get it from someone reputable. Hi Daniel, We understand how frustrating it is to have to wait so long for your order. As you know, all parts have been delayed business days due to the current health crisis. Every company has been hit by this, even Amazon has delayed all non-essential products nearly two weeks. Our team is working around the clock to deliver you your parts and we appreciate your patience. Please send your order information to loyalty partzilla. Hi Rick, We have been trying to reach out to you for the past few days and haven't received a response. We want to help get your trip back on track. We are sorry that everything is taking longer than expected. Due to COVID work safety requirements, our team is required to maintain a minimum of six feet of physical distance and we are operating with less staff than normal. We hope you will get back to us soon so we can look into the status of your order. Verified account. Company monitors its reviews. See our business solutions. Coming Soon. Preferred solution Deliver product or service ordered. Share Share Tweet. Scott K Oct 30, Criminal fraud. Ordered an All-Balls drive shaft. Also they advertise most items in stock. They have nothing in stock. They lie and say they do and then a day or Partzilla Nov 06, View more comments. Cons Lie and steal. Preferred solution Full refund. Terrible experience. In stock part thats 2oz , come on. Then I get read the fine print sir from customer service. No maam. I paid 2nd day air not standard shipping. You just lost me and the plus riders on my insta User's recommendation: Order from a professional honest company. View full review. Location Elizabeth, New Jersey. Can't track my

order. Haven't received my order in 3 months. Partzilla Sep 15, Location Bartlesville, Oklahoma. Service Partzilla Shipping Service. Small inventory on hand. Still waiting on parts to complete my project. No customer service, snail shipping. User's recommendation: Don't bother ordering from here unless its a last resort. Partzilla Aug 30, Location Ocean Springs, Mississippi. Bad company. After ordering parts for my side by side I tried for two weeks trying to get shipping updates. Should not have taken two weeks to find out Im not getting any parts. Ill never buy from them again. User's recommendation: Buy only if your not in a hurry. Location Blytheville, Arkansas. Pissed Consumer Your trust is our top priority. Please support us to help maintain our independence and integrity. Poor service. Call countless times no response to calls ridiculous hold times, no customer service line that will pick up. Tried to cancel an order because Partzilla did not have stock, yet cant cancel when no one picks up your call. Partzilla Aug 14, Preferred solution Apology. Changing delivery dates and no response. I have ordered from Partzilla a few times but now it's worse than ever. The part page says days out before delivery. Then after ordering, they cancelled one part as no longer available and extended the delivery weeks on others. They are holding up all the order Partzilla Aug 10, Location Pittsburg, California. Very very very poor customer service. Slowest shipping.. Its going on two weeks and they still havent shipped my order. Cant even talk to anyone because they wont answer the phone. I paid for expedited shipping that is a SCAM. Save yourself the head ache and do not buy from here. This place is a joke. The last two things I ordered from them took forever to ship then when I finally got them they were damaged from poor packaging. User's recommendation: RUN!!! Partzilla Jul 17, Location Vacaville, California. Kenzleigh Jun 11, Sent wrong part. I ordered a water pump for my bike and was sent the wrong one. I got one for a fz1 and I have a l looked into returning this part a while ago but couldn't because of the covid epidemic. Partzilla Jun 12, Product Partzilla Website. Pros Great looking website. Related Companies Company Reviews. Rosaleigh May 21, Parts not shipped and its been 11 days. I ordered parts on may 10th and they havent been shipped. If they are not shipped soon I want my money back. Partzilla May 25, We are doing the best we can under these challenging circumstances. Not shipping my order. Ordered a fan Assy may 10 which they said was in stock with day shipping. After inquiries they revised ship date for may Checked may 20 and no shipping. Wanted it by memorial weekend. Covid or no covid just be honest on ship dates! Would have ordered somewhere Comment Thanks Helpful 1 Not helpful 0. Partzilla May 27, Location Rhinelander, Wisconsin. Del B May 19, Poor customer service and slow shipping. The first items took over 2 weeks to ship and never a shipping notice. Numerous attempts to email customer service and no response. Reply 0 1. Pros Fair prices. Cons Terrible customer service Lied about shipping times. Daniel H May 16, Poor customer service empty promises. I placed an order over a week ago. All parts said they were in stock online. I paid for expedient shipping as well. I called today curious where my order is, and I was told that one of my parts was not in stock and I asked for an ETA and the associate said they can't give me one. This is ridiculous. I understand that working conditions aren't normal right now but don't be dishonest with your inventory just to take my money and make a quick buck. Buyer beware. Take your business elsewhere and avoid at all cost. Pros Website and videos Great looking website. Cons Lied about shipping times Being conned. Rick S May 13, Order placed, 2 weeks later nothing!!! I placed my order on April 30th for one part for my sons ATV. It was supposed to have shipped out last Thursday May 7th. Now we don't have enough time to get this part elsewhere meanwhile we have an amazing trip planned with my kid that we're most likely going to have to cancel. I am so freaking pissed!!! User's recommendation: Avoid Partzilla for parts. Cons Excessive delays. Order placed, 2 weeks later still hasn't shipped?!? I placed an order on April 30th for a part for my sons ATV. Tomorrow marks 2 weeks and I've heard nothing! My order was said to have shipped out 1 week ago. No clue if that happened because I don't have any confirmation email or tracking number. Looks like we'll have to cancel our plans, my son is going to be so upset. This is horrible! User's recommendation: avoid Partzilla at all costs.
